

The concept "Shop-Taste-Meet" brings people together in the unique historical framework of "De Vleeshalle", an old market hall built in 1881.

All your senses kick in here: sight, sound, smell and of course taste! You'll be amazed at the wide range of authentic and irresistible foods available in the former 'Meat Hall'. Doing your regular shop here is a far cry from the supermarket routine. It's an experience to relish!
