

From now on children can also climb, hang, sit, rest and romp around with other kids in the historic city centre. Make your city visit truly unforgettable and stop at one of the play areas that have been installed in the city. The locations are marked on the city map. **Download your map here (/citymap.pdf)** or pick it up for free at the Visit Mechelen Information Office.

Who can run through the labyrinth near St. Catharine's Church in the shortest possible time? Who can climb the highest on the XXL doll near St. Rumbold's Tower?
